

South Eastern VW Association (SEVWA) Sponsorship 2017

SEVWA is the Premier Volkswagen only Drag Racing Association on the East Coast. We are now entering our 16th year of providing the Southeast with the Best in VW only Drag Racing plus Car Show and Swap meet. Our events are held in several states across the Southeast including, Georgia, South Carolina, North Carolina, Florida and Tennessee.

The SEVWA is a non-profit volunteer supported group. Since 2003, it has been run by K & L Motorsports LLC (Keith Bumgarner & Kathy Jacobs) and has organized SEVWA shows as well as a point series for racers. K & L Motorsports and SEVWA are looking towards a continued future, bringing more events for racers, show cars and VW Enthusiasts alike in the Southeast region.

Our event promotions will give you a wide range of an audience in which to reach out for your business. We average around 1400 spectators per event. Our Facebook and Twitter pages have posts at least once or twice a week with information about upcoming events, Sponsor info/specials or special information to share. Our flyers for the events reach all over the Eastcoast and we distribute more than 10,000 throughout the year to shops, pass out at other VW events and mailouts to our attendees. Our event shirts we make for at least 6 of our events with all of our sponsors listed with the event design, total impressions for the year 864. Also our award plaques for all 9 events which feature the event design with our sponsors listed, total impressions for the year 382.

The points series is for any VW Racer on the East Coast. We have worked with other Event Promoters on the East Coast to help support the VW Community. We usually have anywhere from 5-8 races on the schedule for a racer to go to and collect points. At the end of the year, these points are tallied up and we declare a champion in 3 different Bracket classes plus the Pro Outlaw heads up class. We average around 40 individual race members a year and awards over \$4500 in cash plus prizes and Contingency's from our sponsors. We also randomly give away promotional items donated from our generous sponsors at our events. The events are not only for our racers but for the VW community as a whole.

In the last few years K & L has accomplished several special endeavors which many said could never happen. March 2006 at Silver Dollar Raceway in Reynolds, Ga, we managed to bring out the two fastest Dragsters in the world. These two had never had a match race until that day! The VW Paradise Crew from San Diego, CA with the Paradise Express and Roger Tannanbaum of Billet Racing Engines of Bradenton, FL. The Vintage Street and Unlimited Street East

classes were added in 2006 & 2007. October 2007 at Farmington Dragway brought out the largest Pro Stock heads up racing field ever! The Pro Stock group has a few races every year and usually only have 8 or less, but we managed to get 14 at one event! In 2011 we introduced the Pro Outlaw Heads up class and in 2016 we will be bringing back this class and hope to continue it for the future. We have always looked for that one extraordinary piece that will make our events stand out from the rest!

Our goals are to provide the VW racers quality venues to safely race, as well as providing a family friendly atmosphere for VW enthusiasts to show and swap. We are here for the VW Community and look forward to each and every race. These race events are there for the VW Enthusiasts so they can come and have a place to bring their family and have fun and we hope when new VW individuals come to an K & L Motorsports/SEVWA event, they can see what we can provide for each other. We trust that the quality in the K & L Motorsports/SEVWA events will encourage the community to continue to have a long prosperous future.

We have had several feature articles in national publications such as Hot VWs, and even an article in National Dragster.
